11. During the Auction you can check the status of your bid at any time. Note that no bids can be RETRACTED once a bid is made and confirmed.

12. Bidding is similar to eBay-type auctions we recommend that all bidders put in their maximum bid when placing a bid online. If you place a maximum bid the software will play out the bids as you would be at a live auction and only uses the fund required to beat out the other bidders at prescribed bid increments. If two people place the same bid amount the first bid in wins that amount.

13. Auction will begin to close at 6:00 PM CST and an item will close every 15 seconds after. The closing time of each lot will be automatically extended an additional 2 minutes whenever a bid is placed within the last 2 minutes of the lot closing.

14. The Auctioneer reserves the right to cancel, suspend, extend, or reschedule an individual item or auction event. The auctioneer reserved the right to make changes to the auction closing times for any reason.

15. Due to the Auction being online. Server & Software Technical Issues can happen: If for any reason the system goes down technical difficulties related to the server, software or any other online auction-related technologies, Dunker Auction Service, LLC reserves the right to extend bidding, continue the bidding or close the bidding. Neither the company providing the software nor Dunker Auction Service, LLC shall be held responsible for a missed bid or the failure of the software to function properly for any reason
